

Letterbox Gate

An External Gate to fit in front of a Back or Front Door, or to gate off a narrow Alleyway.

The Problem - Many Front and Back Doors

- Cannot prevent a Distraction Burglary
- Not suitable for Domestic Violence cases
- Were not designed to withstand a forced breakin
- Have easy knock out bottom panels
- Have Glass top and or bottom panels
- Make Tenants very vulnerable
- Are taking years to replace with good quality doors

The Solution - The LETTERBOX Gate

- High Security gate with THREE Hinges
- Provides a very effective second barrier to protect those inferior paneled doors
- Provides real peace of mind to residents
- Eliminates Sneak-in Burglaries in hot weather
- Protects the elderly and those on their own
- Allows full ventilation in warm weather
- Thumb Turn available for multi-occupancy
- Has 15 variable Letterbox positions

SECURITY INDICATOR = HIGH
