

VL1 Removable Driveway Post

A Lift out Driveway Security Post with Built-in Security Lock.

The Problem

- Theft of vehicles is on the increase.
- Financial Costs and Inconvenience of Vehicle Theft
- Increased Insurance Premiums for Vehicles
- People parking in your space

The Solution

- A Medium Security Post that is easy to use. Fitted as standard with a 9 Lever Abloy lock in the top of the Post to prevent having to get down to the floor as you have to do with some products – very inconvenient in the wet!
- The Sentry Post slots into a concealed socket (supplied) that needs to be sunk into the ground about 300mm. To operate simply drop the post into the ground Socket – and it locks automatically. A ¼ turn of the key - it simply unlocks and you can remove the post.

SECURITY INDICATOR = MEDIUM

Product Benefits

- Highly visible deterrent
- Easy to Install and Use
- Prevents vehicles from being moved
- Built In High Security Lock with 3 Keys
- Extra sockets available providing flexibility
- Available in White only

Comes Complete With

- 1 – Removable Driveway Post with Built in Abloy Security Lock
- 1 – Ground Socket

Applications

- Domestic Driveway
- Car Parking Spaces
